

Clare Bears Community Pre-school

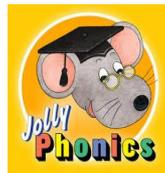

NEWSLETTER – Spring term 2022

We extend a special welcome to all our new children and parents as we start our Spring term.

We hope they settle well and enjoy their time here at Clare Bears.

Welcome back to the Spring term at Clare Bears. We hope you had a lovely Christmas break and are ready for another fun packed term. As restrictions are still in place, we will continue to share with you, activities and resources that our children have enjoyed taking part in each week through our tapestry observations. Thank you for all of your wonderful feedback, please continue to click the thumbs up button which tells us that you have viewed them and feel free to add your comments too!

Jenny will be continuing with our transition groups to support children that will be leaving us in September. Jenny takes aside small groups of children for a short period of time once a week to concentrate on phonic sounds, writing and mathematics. This has already made a huge improvement towards getting the children ready to start school.

Winter bugs/illnesses

If your child has a cough that accompanies the common cold then we kindly ask that they do a lateral flow test before attending the setting. Should they present with any other Covid symptoms then you will need to get a PCR test as soon as possible and will be asked to forward the results before returning back.

After diarrhoea or vomiting or a raised temperature, parents are asked to keep children home for 48 hours following the last episode.

Adverse weather

Should we get any extreme weather and make the decision to close the setting, we will notify you via e-mail and Facebook/Instagram posts as soon as possible that morning.

Just simply like our Facebook page or follow us on Instagram to keep updated

Snack Time

Clare Bears promotes healthy eating and encourages the children to try different foods they may not have had an opportunity to taste. Your children will be offered a selection of fresh fruit and vegetables and **we kindly ask for a half termly donation of either a snack item or a small money donation** to help offer a varied selection of foods. **PLEASE NOTE:** a constant supply of water is available through session time for all children to access and a choice of milk or water is offered at snack times.

If your child develops an allergy, which we do not already have record of, please tell me and I will ensure all staff and helpers are aware.

DUE TO COVID RESTRICTIONS AND THEREFORE NOT BEING ABLE TO ENTER THE SETTING, WE WILL LEAVE A BASKET OUTSIDE OF THE SETTING FOR YOU TO PLACE YOUR DONATIONS IN. (see below for required items). Thank you in advance.

We currently have a child with NUT allergies, therefore, please can we ask that you DO NOT include any nut products within your child's lunch box.

LUNCH CLUB Our lunch club session is a great opportunity for your child to socialise and eat lunch with their friends and staff. The charge per session is £4.75 when invoiced termly. We are also able to offer 'pay on the day' at £5.00 per session (subject to available spaces) however, we **MUST** have payment up front on the **morning** of your chosen day. Please provide a suitable healthy packed lunch and non-fizzy drink.

Snack donations:

- Bread sticks
- Crackers
- Cheerio's (cereal)
- Wraps
- Rice cakes
- Raisins
- Sweetcorn
- Any other non-perishable items

We will be sending home a 'WOW' sheet in the next couple of weeks, which will give you the opportunity to tell us about the special achievements your child has made at home. This could be toilet training, helping to clean up or counting/writing. We will praise your child in our group session and will place the WOW on our 'I CAN ACHIEVE' board for the Autumn term.

LEARNING JOURNALS

As most of you already know, we have now moved over to Tapestry (online learning journals) which allow you to view at your leisure. We would love for you to look through these learning journals and ask that you **add any comments** or related learning developments from home, holidays etc. as this will help form a greater picture of your child. **Once you have seen a new post, please click the thumbs up so that we know you have viewed it.** **Should you wish to discuss your child's development further, please speak to your child's key person who will be happy to arrange a suitable time.** **If you cannot access your Tapestry account, please do not hesitate to contact us.**

Focus planning for Spring 2022

We may amend or repeat activities/topics depending on the children's current interests or specific learning needs.

COLLECTING YOUR CHILD

Please could we ask that you collect your child on time. The staff have very little time at the end of each session to pack away the toys and set up for the following day. It is not safe to do this while they are looking after your child. We do have procedures to follow if your child has not been collected on time (please see our policy folder).

To ensure your safety, we kindly ask that you line up outside within the 2 metre markers. Please ring the doorbell in between opening hours.

REMINDER - Could I please remind parents/carers that should somebody else be picking your child up from Clare Bears they MUST tell a member of staff when entering the setting. If you have supplied a PASSWORD with your registration form please ensure the person collecting your child is aware of this.

Alternatively, please telephone/text us on Tel: 07956 159 121/01787 277367 or Email manager@clarebears.org This is solely for your child's safety.

ABSENCES – Should your child be sick or have an appointment that you wish to inform us about please feel free to text or e-mail us on the above contact numbers.

Clare Bears pre-school

Wish List

- Sensitive shaving foam
- Kitchen utensils
- Cardboard tubes
- Drawing paper
- Wooden spoons
- Tissue paper
- Goggle eyes
- Felt tip pens
- Cotton wool

Please could we also ask for children's own private toys to be left at home

(Unless these are used as a comforter for the child's benefit).

At Clare Bears we allow the children to play with and share ALL toys. When personal toys are brought in, this can cause confusion, as understandably, children will feel protective over their own belongings. Recently, we have had many personal toys go missing or get broken causing a safety issue with our younger members of the group. Your support in this matter is really appreciated.
