

# **COVID 19 Home/ Pre-School Agreement**

*Please read and share the relevant aspects of this agreement with your child, to support the safety of everyone at Clare Bears.*

## **Our Pre-School will:**

- ✓ Do our best to provide an environment which has been adapted following robust risk assessment in response to the COVID 19 infection;
- ✓ If a child or staff member appears unwell on arrival at the pre-school, we will take their temperature using a digital forehead thermometer. If it is raised after 3 separate tests the staff member or child will be asked to return home immediately and go and get tested for COVID 19 or self-isolate for at least 14 days with their family;
- ✓ Contact parents/carers if your child displays symptoms of COVID-19;
- ✓ Inform you if a staff member or child in our setting show symptoms of COVID-19 as this will mean you will all need to self-isolate for at least 14 days or until the test result returns negative;
- ✓ Provide a curriculum that focuses on primarily on your child's well-being and mental health;
- ✓ Staff will wear PPE including face shields as we greet and dismiss children to their parents/carers;
- ✓ Continue to communicate effectively with you via email, phone or text.
