

# Clare Bears Community Pre-school

## NEWSLETTER – Summer term 2026

We extend a special welcome to all our new children and parents as we start our Summer term.

We hope they settle well and enjoy their time here at Clare Bears.

Welcome back to the summer term at Clare Bears. We hope you had a lovely Easter break and are ready for another fun packed term. We will continue to share with you, activities and resources that our children have enjoyed taking part in each week through our tapestry observations. Thank you for all of your wonderful feedback, **please continue to click the heart button which tells us that you have viewed them and feel free to add your comments too!**

Jenny will be continuing with our transition groups to support children that will be leaving us in September. Jenny takes aside small groups of children for a short period of time once a week to concentrate on phonic sounds, writing and mathematics. This has already made a huge improvement towards getting the children ready to start school.

## 'Clare Bears Values'

Our community and values are at the heart of our provision

- ✓ We have the right to speak and be heard
- ✓ We have the right to learn
- ✓ We have the right to be safe and healthy
- ✓ We have the responsibility to be kind and listen to others
- ✓ We have the responsibility to respect others' differences
- ✓ We have the responsibility to keep ourselves and others safe

## Boydells farm trip

25th June 2026– All children with their parents/carers may attend Details to follow nearer the time

## Snack Time

Clare Bears promotes healthy eating and encourages the children to try different foods they may not have had an opportunity to taste. Your children will be offered a selection of fresh fruit and vegetables to help offer a varied selection of foods. **PLEASE NOTE:** a constant supply of water is available through session time for all children to access and a choice of milk or water is offered at snack times. **A separate water bottle is not required unless your child has lunch here.**

If your child develops an allergy, which we do not already have record of, please tell us and I will ensure all staff and helpers are aware.

## IMPORTANT – NUT FREE PRE-SCHOOL

We **DO** have a child with a **NUT** allergy, plus this is a time where allergies can develop, therefore, please can we ask that you **DO NOT** include any **nut** products or items that include **sesame seeds, pesto etc** within your child's lunch box. Thank you

**LUNCH CLUB** Our lunch club session is a great opportunity for your child to socialise and eat lunch with their friends and staff. The charge per session is £7.00

We will be sending home a '**WOW**' sheet in the next couple of weeks, which will give you the opportunity to tell us about the special achievements your child has made at home. This could be toilet training, helping to clean up or counting/writing. We will praise your child in our group session and will place the WOW on our 'I CAN ACHIEVE' board.

## LEARNING JOURNALS

We use the online learning journal 'Tapestry' which allow you to view at your leisure. We would love for you to look through these learning journals and ask that you **add any comments** or related learning developments from home, holidays etc. as this will help form a greater picture of your child. **Please can we ask that you click the heart once you have read each post. This will show us that you have viewed it.** Should you wish to discuss your child's development further, please speak to your child's key person who will be happy to arrange a suitable time. **If you cannot access your Tapestry account, please do not hesitate to contact us.**

## SAFETY IN THE SUN

At Clare Bears we promote children's good health and encourage their awareness of healthy practice. We do offer shade to the children while outside, however, we ask parents/carers to remember to provide their children with the following items:

- Sunhat
- Suitable footwear for your child to move freely outside (No flip flops or similar sandals)
- Parents to apply sun lotion **before** coming to pre-school. We will provide a factor 50 sensitive lotion to apply in the afternoon. If your child has an allergy to general lotions then please feel free to bring and label your own and let us know beforehand.

# Focus planning for Summer 2026

We plan topics/activities each week to extend and enrich the learning and development for our children. This will involve a wide range of activities for the children to explore and includes worldly events and celebrations.

We may amend or repeat activities/topics depending on the children's current interests or specific learning needs.

## Please could we also ask for children's own private toys to be left at home

(Unless these are used as a comforter for the child's benefit).

At Clare Bears we allow the children to play with and share ALL toys. When personal toys are brought in, this can cause confusion, as understandably, children will feel protective over their own belongings. Recently, we have had many personal toys go missing or get broken causing a safety issue with our younger members of the group. Your support in this matter is really appreciated.

### COLLECTING YOUR CHILD

#### Please could we ask that you collect your child on time.

The staff have very little time at the end of each session to pack away the toys and set up for the following day. It is not safe to do this while they are looking after your child. We do have procedures to follow if your child has not been collected on time (please see our policy folder).

**REMINDER** - Could I please remind parents/carers that should somebody else be picking your child up from Clare Bears they **MUST** tell a member of staff when entering the setting. If you have supplied a **PASSWORD** with your registration form please ensure the person collecting your child is aware of this.

Alternatively, please telephone/text us on Tel: **07956 159 121/01787 277367** or Email [manager@clarebears.org](mailto:manager@clarebears.org) This is solely for your child's safety. **ABSENCES** – Should your child be sick or have an appointment that you wish to inform us about please text or e-mail us on the above contact numbers.

We do understand that there will be unforeseen circumstances when you may be late. Please could I ask that you then telephone us as soon as possible and **we will ensure 2 members of staff remain at Clare bears until your child has been collected.**

**PLEASE ENSURE ALL LUNCH BOXES/DRINK BOTTLES, HATS/CLOTHES (especially Clare Bears Jumpers) ARE NAMED. Thank you**
